[Engage PEO Partners with AmTrust, Augmenting National Network of Workers' Compensation Insurance Options for Clients](#)

St. Petersburg, FL ? Nov. 1, 2013 ? Engage PEO, a leading professional employer organization providing HR outsourcing solutions to small and mid-sized businesses, today announced that it has entered a master policy agreement with operating subsidiaries of AmTrust Group for the company to be part of Engage PEO's network of A-rated carriers providing workers' compensation insurance for its clients across the nation. The new workers' compensation policy provides Engage clients with an A-rated, 50-state licensed option, creating affordable capacity in a tightening marketplace. The new program is available immediately.

?An important consideration to Engage's clients and insurance agency partners was for Engage to provide a workers' compensation policy from an insurer with a strong financial position, and with A.M Best's ?A? rating - AmTrust provides just that,? said Jay Starkman, Engage's chief executive officer. ?Additionally, the AmTrust program provides flexibility to Engage in that approximately 400 of the 675 workers' compensation class codes are included. AmTrust as an option in Engage's network of available workers' compensation programs creates a further foundation to spur Engage's industry-leading growth. We are excited about the new relationship and look forward to a long, mutually-beneficial relationship with AmTrust.?
