[Engage PEO Continues Growth of Texas Office; Adds Chuck Cleboski as Vice President of Sales in Houston](#)

Fort Lauderdale, Fla. ? May 4, 2015 ? [Engage PEO](#), a leading professional employer organization providing HR outsourcing solutions to small and mid-sized businesses across the U.S., today announced the addition of another member of its growing Texas office, Chuck Cleboski who will serve as Vice President of Sales for Houston. Cleboski will build on Engage?s significant growth in the Texas market and focus on establishing strong relationships with insurance agency partners and their clients.

?Business is booming in Texas and it may well be because the state has established one of the best environments in the country for PEOs to do what they do best ? help clients take all of their HR and compliance responsibilities off their shoulders,? said Jay Starkman, chief executive officer of Engage. ?Chuck fully understands how businesses win when they partner with a PEO. We are very pleased to welcome him to Texas.?

Cleboski is an 18-year veteran in the HR outsourcing business. He served as a sales leader for a large, national professional employer organization for more than a decade. He attended Southwest Texas State University and has been recognized throughout his career with many awards for superior sales performance.

?I am very excited to join the Engage team because they are as passionate as I am about the quality of service they provide to each and every client,? said Cleboski. ?There are a lot of PEOs that say they are focused on the client experience, but Engage really delivers on that promise. There is no other PEO out there today where every dedicated HR manager assigned to a client is also an employment lawyer. That level of expertise makes all the difference to clients and I look forward to introducing more businesses and brokers to Engage?s full range of HR services.?
